

B.O.T

IMPACT SHEETS

Compiled Q1 2022

Lebanon's first Impact Sourcing platform, connecting young skilled freelancers coming from under privileged communities with companies in need of fast, affordable and quality assured data services.

Since March 2018 and to-date B.O.T has worked with hundreds of young freelancers - 90% of which on a remote basis across all Lebanese regions providing them with digital jobs.

B.O.T was my first professional working experience. I worked on several projects, with many clients and was assigned various tasks, which helped me develop myself and acquire new skills.

Youth Impact Story Jad S. - Beirut, Lebanon

Jad joined B.O.T in 2017, graduating from a bachelor in Mechatronics Engineering and completing the Digital and Media Literacy course with DOT Lebanon under the GIL program by UNICEF.
